LIBRARY NEWS - AUGUST 2017

Library News - The plans for the ownership of the library building to transfer to Colyton Parish Council from DCC have been achieved. This gives much more security for our library service in Colyton now and in the future.

The Library service will continue to be provided unchanged by Devon Library Services – now Libraries Unlimited. This is now a partnership between Friends of Colyton Library, Libraries Unlimited and Colyton Parish Council for the benefit of the community of Colyton and Colyford.

Friends of Colyton library are extremely pleased to have achieved this new partnership.

One of our Library assistants, Christina Kendall, is sadly leaving us as she is moving away from the area. We will miss her and her helpful approach and great organisational skills. Thank you, Christina.

Recruitment to fill her post has already started.

*Colyton library not only needs “**Friends**” (see leaflet in Library) but also **volunteers** to help out occasionally at the Tuesday Library Extra sessions. Some volunteers also support the Librarian on a Saturday morning. Please get in touch if you are interested in supporting this Community asset.*
